

SHARP EDGE

EDGE
TACTICAL
SAFETY EYEWEAR

The blade-style Sharp Edge is a lightweight pair of range glasses that are ideal for any tactical activity. The flexible and durable matte black frame is equipped with soft thermoplastic rubber temple arms and adjustable nose pads to create a comfortable, nonslip fit. The absence of a lower frame prevents sight obstruction, making it great for shooting. Vapor Shield elite performance anti-fog is standard for this frame. Vapor Shield is a long lasting anti-fog lens that is tested under extreme conditions to guarantee resistance to condensation for clear vision when you need it most.
