SAFETY EYEWEAR

The Super 64 is a single lens, low-profile goggle designed for comfortable fit and perfect integration with tactical helmets and other equipment. This slim design provides a wider field of vision, while maintaining protection from impact and debris. Available with G-15 or Clear lens options, this goggle is equipped with Vapor Shield elite performance anti-fog. Vapor Shield is a long lasting anti-fog lens that is tested under extreme conditions to guarantee resistance to condensation for clear vision when you need it most. The goggle strap is fully adjustable for a customizable fit that works for multiple head sizes and face shapes. Velcro helmet straps are also included.
