

BLADE RUNNER

EDGE
TACTICAL
SAFETY EYEWEAR

The Blade Runner features a thin temple frame designed for comfortable fit with ear protection or helmets. Thermoplastic rubber (TPR) temple arms increase their grip as they become warm or moist to prevent slipping. This frame style is available with Smoke, Copper, G-15, Tiger's Eye, or Clear lenses. Polarized and Vapor Shield elite performance anti-fog are optional features for this frame. Vapor Shield is a long lasting anti-fog lens that is tested under extreme conditions to guarantee resistance to condensation for clear vision when you need it most.
