

BLIZZARD

EDGE
TACTICAL
SAFETY EYEWEAR

Blizzard goggles offer a vented matte black frame with soft neoprene padding that fits comfortably on the face, while a rubber lining on the strap secures the goggles for a non-slip fit. Interchangeable Clear Vapor Shield and G-15 Vapor Shield lenses are completely resistant to fog and can be easily switched for use in different light conditions. Vapor Shield is a long lasting anti-fog lens that is tested under extreme conditions to guarantee resistance to condensation for clear vision when you need it most.
